

Council Venturing Cabinet Newsletter

April 27, 2010

Overview

Adventure Trek 2010

We now have 21 teams signed up, which means we have room for three more teams. We have one youth staff position filled, so we still have 6 youth staff positions available and we are hoping to get those filled as soon as possible; if you know of any youth please contact Dennis McGary at drmcgary@comcast.net. There are also two assistant quartermaster positions as well.

Venturing Ride 2010

Registration for Venturing Ride is now Live! So go onto the council website and reserve your spot on Double Knot now. The plan is to have from OMSI: access as general admission, use of planetarium, use of IMAX, use of sub-tours, and access to rooms for display purposes; from Sea Scouts: Ship Reliant at the dock north of OMSI for participants to see and visit; other: have a bike ride of the bridges of the Willamette, have a normal lunch/banquet to recognize recipients of VLA, Silver, Gold, Bronze, and other awards, have access to rock wall from Army, and have fly fisher demonstration.

Ranger Quest 2011

We are advancing the plans for Ranger Quest, so be sure to save the date from August 8-13th. We now have our sites confirmed; we are at Scouter's Mountain Monday and Tuesday, then we will move to Evergreen Air and Space Museum Tuesday late afternoon. We are at Evergreen Air and Space Museum until mid afternoon Saturday. Other offsite areas for individual activities are not yet finalized. We will be rolling out the final details about Ranger Quest this summer at Adventure Trek 2010. Please contact Mavis Kent at mavis@pacifier.com for any questions you may have.

World Jamboree 2011

Not all Venturers or Boy Scouts can go. For the World Jamboree in Sweden in 2011, only those who have been born between July 25, 1993 and July 27, 1997 are eligible. The basic package price for the World Jamboree is \$3,525 (plus a nonrefundable application fee of \$10). This cost easily competes with the cost for the National Jamboree! And the World Jamboree is in Sweden. Wow! Applying early will guarantee you a place and allow you more time to raise money for the great experience. If you have any questions, please contact Evan Sawyer at evansawyer@msn.com or Craig Murray at TheHiker@SageVenture.com.

New Venturing Shoulder patch for BSA 100th Anniversary

They are a "Private Issue" patch, however that "patch type" can be customized by the crew. If you look at both of them, they may look the same but the symbols are reversed depending on the border color. They are being sold on eBay for \$3-\$4 each plus shipping and handling. Email Ron Murphy at captainron_14@yahoo.com for any questions.

Respectfully Submitted by,
Ben DeRemer, Youth Council Venturing President

Next meeting is April 27th at 7 pm.
